OBJECTIVES

I'm a person who is disciplined and self taught. Currently I'm improving my programming skills. I have a solid value's formation and at my free times I like to read, to learn new habilities (informatics, marketing, foreign languages) and doing sports. Also I have some sell skills and I feel good when I help the people.

There's my web above, check it out!

SKILLS

- Programming
- Strong math logic
- Basic marketing and persuasión
- Analitic person, quick learner and easy adaptation
